

Angelia P. Jackson – Administrative Coordinator (Part-Time)

Angelia is involved in the administrative and operational aspects of the SC State University Foundation, including transcribing the minutes of the board of directors' meetings, which are crucial for maintaining accurate records and ensuring effective communication within the organization.

Angelia's involvement at the Foundation is multifaceted. On the accounts payable side, she assists with ensuring that the foundation's expenses are paid in a timely manner. On the revenue side, she collaborates with the Institutional Advancement staff to ensure the smooth flow of gift and account information to the foundation, which is crucial for maintaining transparency and efficiency in financial operations.

In addition, her responsibilities include confirming company matching gifts, processing ACH gifts, and updating the chart of accounts.

She is a member of the Annual Scholarship Gala Steering Committee, especially with the Shining Star Selection, Sponsorship, and Check-in committees.

After a 46+-year career in Institutional Advancement (20 years at neighboring Claflin University and 26+ years at South Carolina State University), Angelia retired from SC State in March 2025, marking the beginning of a new chapter that will include quality time with family and friends, traveling, and gardening.

Angelia is a graduate of Orangeburg-Calhoun Technical College and Limestone University.
